Document Reference: VG-PROC-LEDGER-2026-09-11

Revision: 2.1 (Full Order Fulfillment & Physical Delivery Reconciliation)

Governance Authority: Phase 4 Execution Package (07_SEMESTER_EXECUTION/)

Project: VibeGuard — Edge AI Vibration Monitoring & Predictive Maintenance System

Institution: Jyothi Engineering College (Autonomous), Cheruthuruthy, Kerala

Custodian: Nihad P C (Project Lead) & Amith Krishna Das (Hardware Lead)

Verification Date: 2026-09-11

1. Executive Procurement Status & Milestone Summary

As of **September 11, 2026**, all three major commercial supplier orders have arrived, been unboxed, and been verified against their physical tax invoices. The core computing microcontroller (7Semi ESP32), vibration sensor (ADXL345), drive motor (N20), power system, safety fuses, and jumper wiring are **100% in physical possession**.
